Practical – I

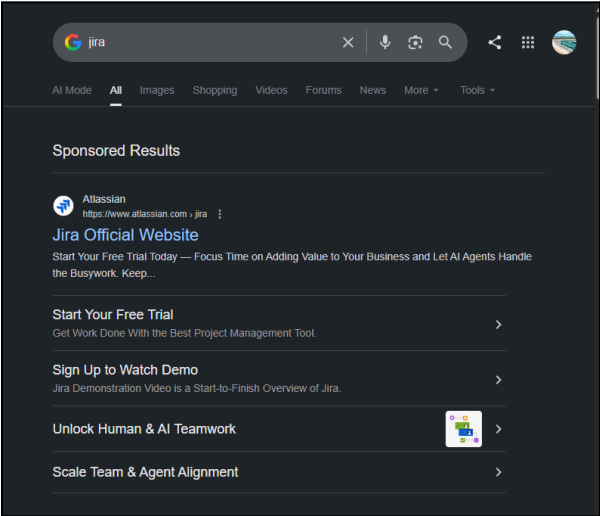

Roll No.: T040	Name: Omkar Sawant
Class: TY.IT	Batch: 1
Date of Assignment: 29/08/2026	Date/Time of Submission: 29/08/2026

Practical 1A: Create a Jira Cloud account and explore the dashboard.

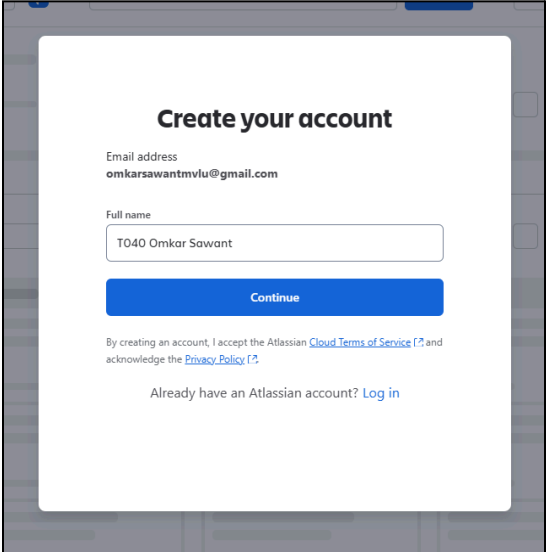

Open Google and search for Jira. Open the Jira website to begin the setup.

Click on Google. Enter the required email/account details and click Continue to create or access your Jira account.

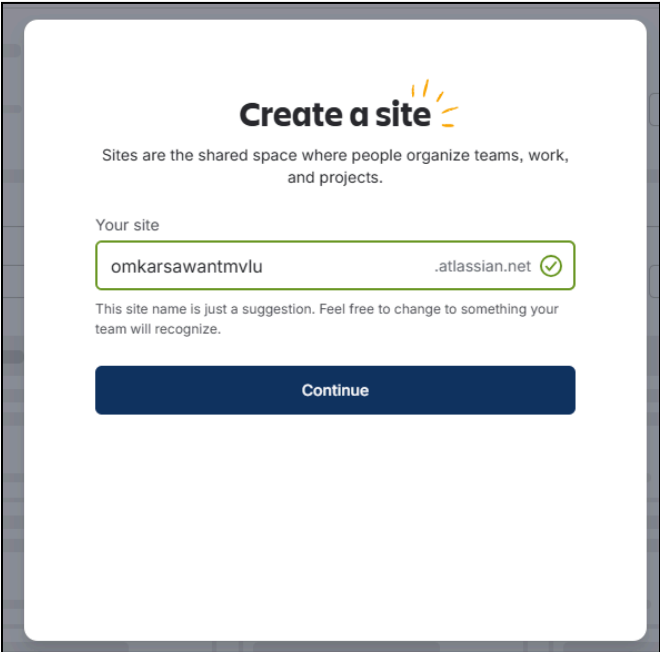

Complete the account creation process by following the instructions displayed on the screen.

The screenshot shows a Google search for 'jira'. The search bar contains 'jira'. Below the search bar, the 'Sponsored Results' section displays the Atlassian logo and the URL 'https://www.atlassian.com > jira'. The main content area features several promotional cards: 'Jira Official Website', 'Start Your Free Trial' (with a right arrow), 'Sign Up to Watch Demo' (with a right arrow), 'Unlock Human & AI Teamwork' (with a right arrow and a small icon), and 'Scale Team & Agent Alignment' (with a right arrow).

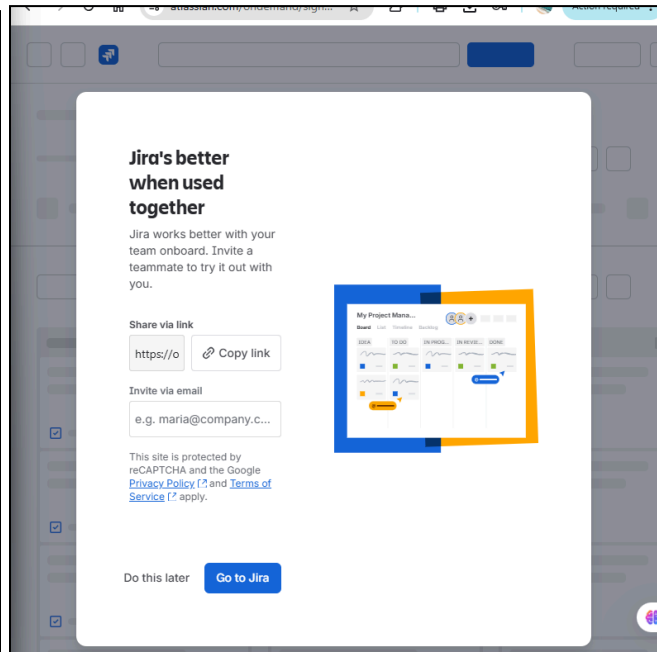

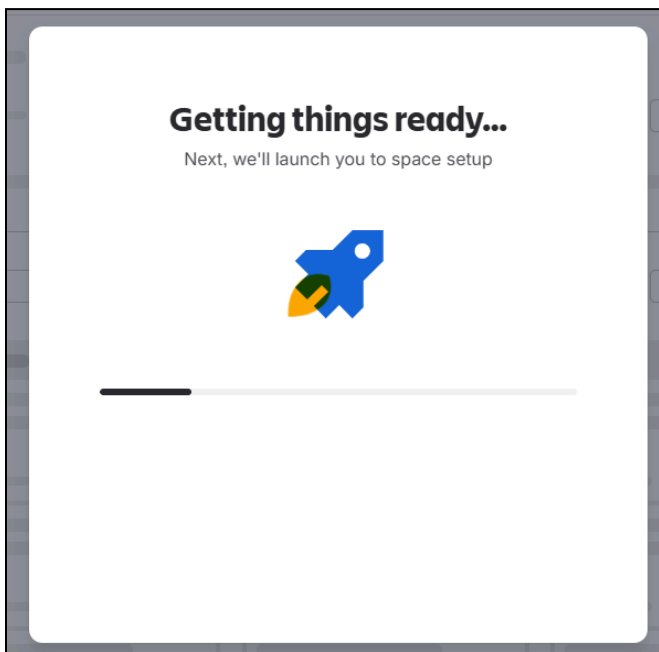

The screenshot shows the 'Create your account' page. The email address 'omkarsawantmvlu@gmail.com' is entered. The full name 'T040 Omkar Sawant' is entered in the 'Full name' field. A blue 'Continue' button is visible. Below the button, there is a link to 'Cloud Terms of Service' and a link to 'Privacy Policy'. At the bottom, there is a link to 'Log in' for existing users.

The screenshot shows the 'Create a site' page. The title 'Create a site' is followed by a sun icon. Below the title, a description states: 'Sites are the shared space where people organize teams, work, and projects.' The 'Your site' field contains 'omkarsawantmvlu.atlassian.net' with a green checkmark icon. A note below the field says: 'This site name is just a suggestion. Feel free to change to something your team will recognize.' A blue 'Continue' button is at the bottom.

Enter the email addresses of the team members you want to add to the space. If you do not want to add members at this stage, select I'll do this later.

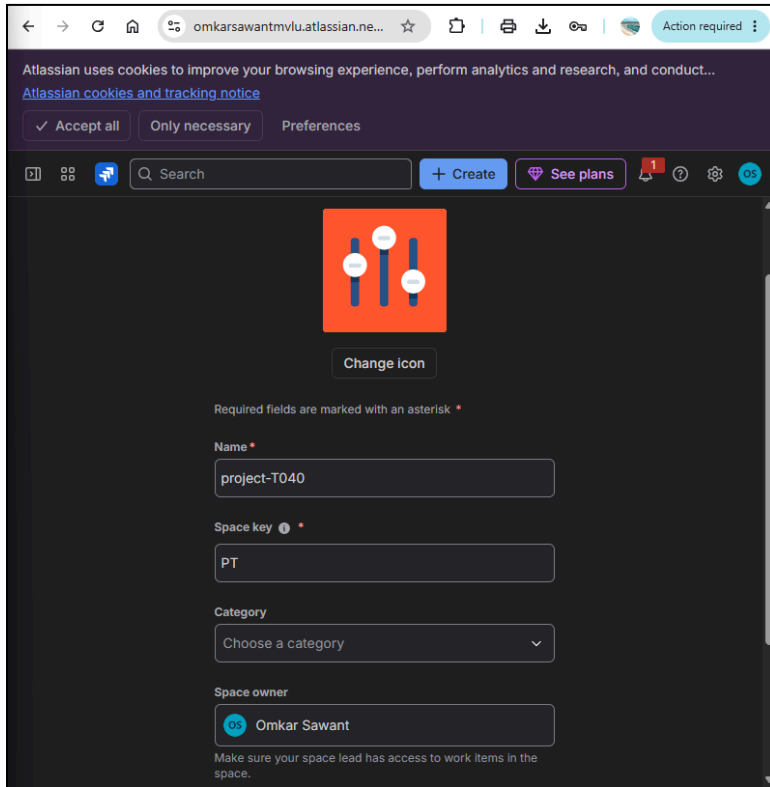

After completing the setup, the Kanban Board will appear. The board can be used to create and track tasks through different stages.

Prac 1C - Configure project details

Open the created Jira space/project from the navigation menu.

Click Space settings to access and manage the configuration options of the Jira space.

The screenshot shows the Jira Space configuration page in a web browser. The browser's address bar displays 'omkarsawantmvlu.atlassian.ne...'. A cookie notice is visible at the top, with buttons for 'Accept all', 'Only necessary', and 'Preferences'. The Jira navigation bar includes a search bar, a '+ Create' button, a 'See plans' button, and a notification bell with a red '1' badge. The main content area features a large orange icon with three vertical bars and a 'Change icon' button. Below this, a note states 'Required fields are marked with an asterisk *'. The form contains the following fields: 'Name *' with the value 'project-T040', 'Space key *' with the value 'PT', 'Category' with a dropdown menu showing 'Choose a category', and 'Space owner' with a dropdown menu showing 'Omkar Sawant'. A footer note reads 'Make sure your space lead has access to work items in the space.'
